

## Planning and Building Fee Schedule

(Rev. September 12, 2022)

In addition to the following application fees, all direct costs, expenses and fees incurred by the city relating directly to the review, processing, inspection or regulation of an application for development review subject to the Land Development Code provisions, including but not limited to, the time of city consultants for legal, engineering or surveying, shall be reimbursed to the city by and assessed to the applicant. To cover these costs, the Development Services Department may require a deposit before and/or during application review and construction.
