Orange City is accepting Sponsorship Requests for Fiscal Year 2022/2023

ORANGE CITY, Fla. — The City of Orange City is currently accepting applications for event or program sponsorship requests for fiscal year 2022/2023.

The City proudly supports our community and the organizations that improve it. Non-profit organizations that would like to request City sponsorship must complete the City application process. This will allow the City to better understand requests and determine how best the City can assist requesting organizations. Sponsorship requests can be made for monetary requests and/or in-kind services.

The complete Sponsorship Policy and Procedures and Sponsorship Application can be found on the Orange City website, www.orangecityfl.gov > Quick Links > Community Engagement > Sponsor Policy and Application.

All sponsorship requests for recurring events or programs must be submitted by July 15, 2022. Nonrecurring requests are not restricted to this deadline, but may be submitted concurrently, in order to be considered with the recurring requests. Approved sponsorships will be determined by the City Council in August and are contingent upon the adoption of the Fiscal Year 2022/2023 Budget.

For more information regarding applying for an Orange City sponsorship, please visit www.orangecityfl.gov or contact Danielle Fitzpatrick at dfitzpatrick@orangecityfl.gov 386-775-5410.
